## Where Can I Find Relief From Itching, Terrifying Eczema?

### Question on Lips Afflicted.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its

source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle today, and you will see results from the right treatment. Medical advice free. ## He Faced Hell for Uncle Sam—and for YOU

"I WAS there—at Verdun—in October, 1918—and the Salvation Army was my best bet.

"We'd been in the front line 36 hours. We had moved so fast our kitchens were lost and had no 'chow.' 'Zero hour' was set for 5:30 next morning. We 'went over,' and after three hours in No Man's Land a machine gun bullet got me in the leg.

"Litter bearers of Co. I, 127th Infantry, picked me up. On the way back, before we reached the first aid regimental dressing station, they put the litter on the ground, just behind our old front line, and a Salvation Army man gave me doughnuts, good hot coffee and cigarettes. And, let me tell you, high explosive and gas shells were falling mighty thick around us!

"It was the first food I'd had in 39 hours. The pain was fierce, and I was bleeding a lot. The doughnuts, coffee and smokes did more than simply put new life into me. The Salvation Army was my best bet.

"As I lay on the litter waiting for the ambulance all I could think of was how good the coffee and smokes tasted—my own tobacco was too bloody to smoke.

"All of us knew the Salvation Army was behind us. They were real folks, and we knew we wouldn't have to ask for help if we needed it. We knew we could count on them, and believe me, it kept up our spirits.

"I sure wish I could get out and root for the Salvation Army and tell you about them instead of writing."
